

March 5 2024

Update : year 2024

To: all National Tempest Associations

EuroCup

Dear Tempest Sailors,

the **Eurocup** (a European competition between Tempest sailors over Europe) is now well reestablished : the target is **to increase participation to regattas all over Europe.**

The title of best European Tempest team (won by Kicker & Gusti in 2023) is awarded following these rules :

1 Regattas

To be valid, the regatta must count **minimum 10 boats & three** races sailed.

The teams must come from at least **2 different countries** (*otherwise points are reduced by 20%*).

Locations for 2024 are :

- **Saint-Raphaël March 29 - 31** (coefficient 1.2)
- **Lake Garda 26 - 28 April** (coefficient 1.2)
- **Austrian national Mondsee, May 9-11** (coefficient 1)
- **German Open Forggensee 30 may - 03 June** (coefficient 1)
- **UK Gosport (Portsmouth) 28 - 30 June** (coefficient 1)
- **Swiss WorldsTempest Brünnen 1-6 September** (coefficient 1)

2 Scoring:

Scores are **give to the boat** (not to the team members, which may change with the exception on the same team using another boat) .

- You need to participate to a minimum of **one** event to be scored
- You can participate to all events if you wish but your **three best scores** only will be selected

The point system is described in Appendix. A

1000 points (1200 for St Raphael & Garda) is allocated to the winner, and 100 (200 respectively) to the last ranked, with a distribution of points according to ranking between these two values.

3 Awards & prizes

Eurocup prize ceremony will take place at the end at the end of the season in Brünnen.

Best regards

APPENDIX : EURO CUP POINT SYSTEM

Formula (for each regatta) :

- L = number of points given to the last boat
- F = number of points given to the first boat
- NB = number of boats that joined the regatta
- PL = place obtained by the team in the regatta

$$\text{Number of points scored for Eurocup} = ((F-L) \times (NB-PL)) / (NB+PL-2) + L$$

As for the previous years, the values are fixed as follows:

Regatta Category	First (F)	Last (L)
St Raphael & Garda	1200	200
Other events	1000	100

Global Eurocup ranking:

After all valid regattas, the secretary of ITA will provide a table with provisional ranking.

See example below: (simulation, after Portsmouth, provisional results)

	Boat	Tempest team	St Raphael	Portsmouth	Garda lake	Total points
1	Country Sail #	Team 1	1200	820		2020
2	Country Sail #	Team 2	800	1000		1800

Assuming that team 1 won St Raphael and was 5 out of 20 at Portsmouth, he has secured 2200 points at the end of May, while team 2 who was 5 out of 10 boats (800 points) in St-Raphael, and won the Portsmouth event (1000 points)
